# Stylish Maintenance Free Fencing and Garden Products

Made in Ireland, EliteGarden metal fencing products are a simple, cost-effective way of transforming your property boundaries from an eyesore into a modern, stylish and maintenance-free solution. Our metal fencing panels are DIY-friendly and are perfect for the homeowner who wants to replace an old wooden fence or hedge with a durable and long-lasting solution.

**Wind Resistant**  
 Manufactured from steel our fencing products are extremely hard-wearing, strong and secure.

**Maintenance Free**  
 No more pairing loose wind damaged panels or replacing broken panels.

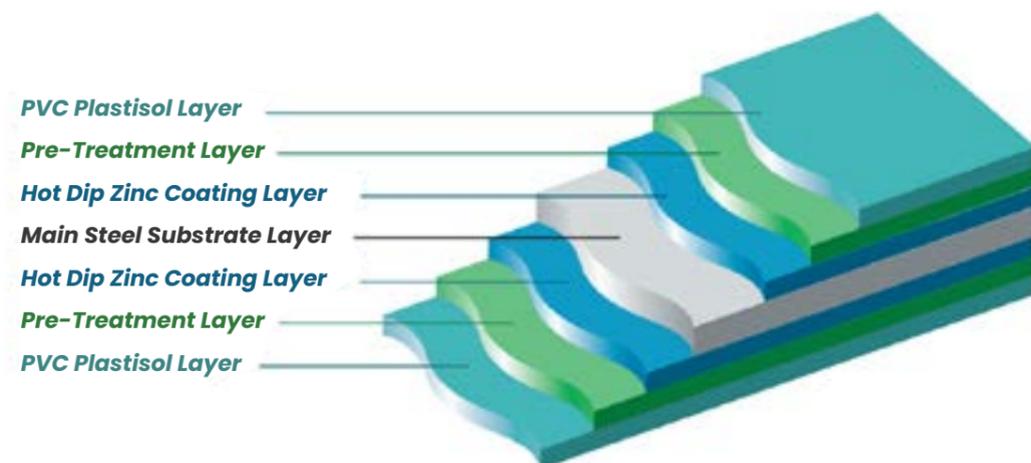

**Never Paint Again**  
 Say goodbye to annual painting! Our products keep their crisp pristine sharp colour.

**Easy Assembly**  
 Designed in such a way that you can easily assemble the fence yourself.

EliteGarden Products have a superior durable abrasion-resistant front and back colour coating.

## Which fence is best for me?

▶ **SmartFence**

### Flatpack Fence Panels

This retrofit system is ideal for replacing wooden panels between existing concrete posts. SmartFence is as simple as it is innovative – the steel panels simply slide between fence posts. Set one on top of another and complete it with a finishing rail. You're done!

- ▶ **High quality metal panels, guaranteed 20 years**
- ▶ **DIY friendly (comes flat packed)**
- ▶ **No additional costs of hiring tradesman to install**
- ▶ **Available in DIY stores nationwide**

▶ **EliteFence**

### Custom Fence Panels

EliteFence is a modern and refreshing custom-made product that comes in a range of panel widths and heights to suit all garden shapes and sizes. You simply measure your garden perimeter; send us all the details and we will come back to you with a bespoke product selection.

- ▶ **High quality metal panels, guaranteed 20 years**
- ▶ **Vertical or horizontal style fencing**
- ▶ **Made to order**

## SmartFence

### Stylish and Durable DIY Garden Fence

This retrofit flat pack fencing system is ideal for replacing old wooden panels between existing concrete posts. Or they can be bolted to concrete. SmartFence is as simple as it is innovative – the strong, secure steel panels simply slide between fence posts. Set one on top of another and complete with a finishing rail. You're done!

SmartFence is available to order online or through our network of retailers. See our local stockist at [www.myelitegarden.com/stockist-locator](http://www.myelitegarden.com/stockist-locator)
